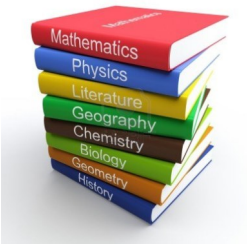
LRC Use



Students are reminded that the LRC closes at the times advertised. You should not be delaying others when packing up late. The rules on silence apply to all students.

Since we have a finite amount of space you should not be leaving belongings in study spaces which you are not occupying. Items will be packed up if the space is needed by others at our busiest times, and you will be logged off computers if you are absent for 10 minutes or more.

We are open at the advertised times whilst you are on study leave. Books will be due back on the date stamped within them. If you have requested an item please check your emails as that is how you will be told when it becomes available for you.

If you release your printing from the student printer please make sure that you have enough time before closing time for it to finish printing that college day.

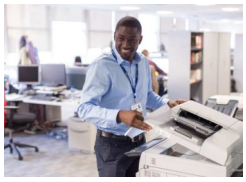
Summer Term Print Credits



During the summer term students will be able to top up their print credits in the LRC if there is no one available in the learning zones. As the LRC is extremely busy during the exam period, we will only top up credit at the following times:

8:10am - 8:40am
9:00am - 10:00am
1:45pm - 3:15pm

There will be a minimum spend of £1.00 per transaction; we can not top up accounts for less than this amount.

We will only do this if the LRC is quiet enough; students borrowing items, using computers and making other enquiries will take priority over anyone looking to top up their print credit.

The LRC Staff

Monday 5 June

The millennium learning zone and the LRC will both be closed until 12:00pm as there are exams on in both areas that morning. They will then be available to students until 5:30pm that day.

Directed Study

You are reminded that you cannot tap in or sign in later than 15 minutes for directed study. It is your responsibility to be on time.
