A Level Results

Your A level results will be emailed to you at 8am on Thursday 17 August.

You can also come and collect them in person from 10am onwards. Staff will be around for help and advice.

The main office will then send out, by second class post, any A level results not collected in person. Please double-check on Woodle that your contact details are correct.

If you are arranging for someone else to collect your results on your behalf you must notify the main office in advance. In order for staff to hand over results to anyone (including parents), we must have written and signed authorisation from you in the form of a letter, a copy of which the person collecting must bring with them.

In addition to this, anyone collecting results must show identification – this includes students – so please remember to bring ID with you on the day. No ID – no results.
