Security

IT security is important. For this reason, you will be required to change your network password when you return in January. We suggest that over the Christmas break, you should think of a good strong password with a mix of upper and lower case and numbers and letters.

Christmas Cards for Sex and Relationships Education

One in seven people receive no sex education, with 95% not taught about consent, and half rating it as 'poor' or 'terrible'.

The College's FemSoc is joining the Terrence Higgins Trust's campaign for more comprehensive sex and relationships education to be rolled out across the country.

Today, we'll be making Christmas cards to send to local MPs to demand action. Join us at 4.30pm in room 206.

Crafting materials and mince pies provided.
