Crossing the Road

One of our students is currently in hospital. She stepped out from behind a bus to cross the road, and a car ran over her foot. She is lucky: she has crushed tendons. She could have been killed.

A girl a couple of years ago tried to cross the road in a similar layout on Alexandra Park Road outside APS, and she now needs round the clock care for the rest of her life.

The answer: get off the bus, walk up the road, take the zebra crossing.

Never, never walk out into the road from behind a bus when you can't see what's coming.

Smokers and Litter

Students who smoke just outside the gates at the top of Hilton Avenue (opposite The Wren) are dropping lots of litter on the pavement and in front gardens.

Please make sure that no more litter is dropped there, otherwise we will have to declare that area as out of bounds to students.
