Barnet Youth Service

The service offers a range of activities throughout the year, for young people aged up to 19 who either live or study in Barnet. They are based at Canada Villa Young People's Centre in Mill Hill, and they have a drop-in service every Wednesday 11am to 7pm if you want advice on relationships, careers, sexual health, housing, drug and alcohol misuse etc. They offer basketball, music production, football, arts and crafts, pool, self-defense and table tennis. Confidential counselling is available by appointment, throughout the week, in both Mill Hill and East Finchley. Once the summer holiday starts, there will be additional activities running: www.barnetyouth.uk.

Japanese Speakers

A student here is learning Japanese outside of college. He is hoping to meet up with other students who can speak the language, so that he can practice his conversational skills. If you are interested, please email me lthoward@woodhouse.ac.uk.
