## Sports Hall and Dance Studios

The sports hall and dance studios are a food and drink free zone (with the exception of bottled water). This week a large quantity of food and drink wrappers and waste have been found in these spaces.

If this continues to happen, the small few who eat or drink will be spoiling things for all other users. **We will not hesitate to stop the use of the sports hall and dance studios.** If you see someone eating or drinking please tell them to stop.
