HIV and AIDS Trip

Thursday 1 November 2018 10.30– 13.00pm

You will start at the Wellcome Trust library's HIV/AIDS poster collection and explore public health campaign techniques, the history of HIV and AIDS, and contemporary sexual health issues. After analysing historical campaigns, you'll be challenged to design your own poster or create a storyboard for a short film.

One of the session leaders will be a sexual health worker, allowing students to explore any questions they may have in a safe and informed way within a neutral environment.
