Hilton Avenue

I'm afraid I have had another complaint from a resident. She says that students sometimes sit across the pavement making it difficult for an elderly person like herself to get through.

She also says that students sit on the grass inside the wall of the first property, eating lunch and leaving litter. I have been to see, and it is true that there is a lot of litter there.

So please, please think of our neighbours:

- Don't block the pavement
- Don't park across people's drives
- Do not leave litter
- Be nice!

Thank you
