Take Care!

Last year, we had two students injured crossing Woodhouse Road. It takes a moment of inattention and you end up in hospital.

Don't step out behind a bus. Use the crossing.

College Cleanliness

The cleaners would like to say thank you for putting your rubbish in the bins and for leaving the toilets in a (mostly) good state for the next users.

There is still some room for improvement (particularly in the social area), but the college is looking much cleaner than it was at this point last year. Please keep this up!
