Improvements to the College

Our environmental student group have been looking at a number of ways of making our college and the wider environment a better place to be. The latest item that can now be removed from landfill and recycled is crisp packets. Look out for collection boxes in the social area. Please make sure the packets are empty and not folded. The crisp packets are then cleaned and shredded to turn them into plastic pellets. These pellets are then transformed into park benchers, plant pots, watering cans and cool bags.

Please can you use the correct bins for your waste. All plastic bottles, cans, cardboard and paper need to go into the recycling bins. We have a target of reducing the rubbish we send to landfill by 10% this year, the number of wheelie bins has been reduced from 10 to 9 so please do your bit to help. Please do not contaminate recycled waste with any food waste.

Many thanks

Carol Kirkland

Valentines Cup Cakes

Available today!

Do your bit for the environment and use a reusable hot drinks mug. These are available from the canteen. The first two hot drinks are free with your purchase and then get every 10th hot drink free. Ask for your loyalty card.

They want someone who is bright and eager to learn, happy to try new things and be pushed to take a step out of their comfort zone. Sometimes they need someone who can follow a strict process, and sometimes they need someone who can create their own way and is happy to take chances. If this sounds like you, and sounds like a place you want to work—then go down and see them! Apply early, register your place, bring a CV and a notepad with all your questions. Have a look at what they do, check the website, LinkedIn or Instagram and have a think about what kind of jobs you might like to be doing. Do you think you're a good fit for us? Be positive, be happy, and dress like you're meant to be here. And don't forget it's okay to be nervous!

Sexual Health

We hope that students who attended the sexual health assemblies on 4 and 11 February found the information interesting and helpful. You can find information about anything to do with sexual health via these websites:

<https://sexwise.fpa.org.uk/> and

<https://www.brook.org.uk/> and you can get

confidential advice via the National Sexual Health Helpline on 0300 123 7123. Please remember, you can come and talk to any member of the College Safeguarding Team about any of the issues raised in the assembly. The College Safeguarding Team (in Student Services) can also support you with any other issue that may be troubling you, such as mental health worries or any difficulties related to your personal wellbeing.

Public Exams Summer 2019

Please check your exam timetable under Quick Links on dashboard and let me know of any errors before half term.

Do not be concerned about clashes at the moment. I will be resolving these shortly and will notify you once all timetables have been updated.
