Junk Food!

If you have to eat junk food (McDonald's etc) you may only do so outside, not in the buildings. And please make sure you dispose of your rubbish. It is really unacceptable to leave your rubbish strewn around for others to deal with.

Imperial College STEM Potential Programme

During L6 and U6, you will undertake subject specific workshops relevant for the science and maths subjects you are studying at A-Level. Working with Imperial College academics and students, you will also get lots of opportunities to explore Imperial as a place to study and lots of invaluable advice about university life.

At the start of U6, there is an intensive university preparation weekend, building on the university application support sessions provided during L6 and you will be paired with a current Imperial undergraduate e-mentor to provide you with 1-2-1 support during the application process.
