Football Pitch

With the good weather now here, please play on the pitches furthest from the college buildings. The noise through the open windows is disruptive to lessons and people working. Thank you

Recent Mugging

Unfortunately, one of our students was the victim of a mugging nearby the College today, in Glebe Park.

Thankfully the student was not harmed, but had an item stolen.

It has been reported to police. Please take care and keep vigilant. Due to a number of muggings reported in recent months, we would advise you to keep your mobile phones out of sight when walking in public, as unfortunately this can attract unwanted attention from criminals. Try to stay with friends

where possible, and avoid areas where nobody else is around. Please tell a member of the Safeguarding Team (or any member of College staff), if anything happens or you see something that concerns you. We can report it to the police and arrange support for you. Please take care.

Mental Health Awareness Week

It's Mental Health Awareness Week 13-19 May. The theme this year is Body Image and you may find some of these articles interesting.

A research report last month found that around two thirds of young people feel pressured to look their best or 'perfect' online and edit photos of themselves before posting them on social media.

It's really important to take care of your mental health and wellbeing at all times, and especially during exam season. This blog includes a YouTube video on Exam Self-Care Tips

Young singer(s) and rapper(s) wanted to perform fabulous new musical number to be recorded and filmed this summer!

'Slice o' Bread' is a lively song celebrating friendship, with music by an 18-year-old composer and with lyrics inspired by teenagers' thoughts on tackling loneliness.

This is your chance to star in a classic Hollywood-style movie musical with a modern twist. Two to four days of commitment needed.
