Nominate a Jack Petchey Award!

The College is a member of the Jack Petchey Award Scheme and is able to select nine award winners per year. These should be students who have, in some way, made a difference to others, been an inspiring example or gone beyond what you would normally expect to help others or contribute to the community.

Please email me your nominations. Include the full name of the nominee and your reason for making the nomination.

Quiet Room

We will soon be moving the quiet room round the corner to what is currently a fitness/weights room. This will allow us to use the dance studio for dance and other physical activity.

I would like to remind you that the quiet room is for quiet contemplation, meditation and prayer. If people are caught eating in there again, we will close it.
