## U6 Assembly on Monday 23 April

On Monday there will be assemblies for the U6 on student finance.

If you are in Mr. Lawrence's cohort you should go straight to the hall at 1pm and then go to your tutor base. If you are in Ms Micklewright's cohort you should go to tutor base as usual and then go to assembly at 1.25pm (please line up by the doors at the back of the social area to avoid congestion with students coming out of the hall).

If you are in Ms Ross's tutor groups you should go straight to the hall at 1pm and not go to tutor bases afterwards.

If you are in Ms Ahmed's groups you should go straight to the hall at 1.25pm.

## Support Latasha to go to Honduras

I'm an U6 student studying Physics, Chemistry and Maths and I will be taking a gap year to go and teach maths and science in a secondary school in Honduras.

With many families struggling to get by, almost 100,000 children drop out of school each year and are forced into the workplace to help their families make ends meet.

The Honduras government limits their access to free education to the sixth grade and poor families can't send their children to school beyond that. Only 30 percent of students even attend high school and many are unable to finish. So I will go there to teach for a full academic year.

My target to fundraise is £6,200. This will be put towards providing the tools and resources to help me live and teach for a whole year. In doing this I'm doing a sponsored silence for a whole week at college. No whispering, no talking, no shouting, nothing.

My deadline is by the end of June so that I can start teaching in August. No donation is too small! £2, £5, £10, £20 or even £100! Your contribution will make a difference and be greatly appreciated.

Small donations can be given online:

## EPQ Play Casting: Talk About Girls!

For my EPQ I have written a play called talk about girls exploring toxic masculinity and how men's lives are shaped by those around them. It's a funny play with a dramatic ending that will hopefully be exciting to produce! This is a really exciting project for me as after I have performed the play for my EPQ I am hoping to send the script off to some companies and perhaps perform it in some other locations. I am looking for actors to fill the following roles:

Tus - A real laddy character who is very flirty, hilarious and slightly slow.

Luke - A kind hearted boy who isn't as laddy as his friends, slightly shy.

Doctor/Father/priest - Three intimidating men, very scary and all this actor's roles are very serious.

If you think you would like to play any of these roles OR help out with the play in any way at all please send me an email @ [17090580@woodhouse.ac.uk](mailto:17090580@woodhouse.ac.uk) Thank you!

## L6 Sport/ Physical Activity Volunteer Wanted

We are now recruiting for L6 volunteers to take over from some of the volunteers who run and manage the drop in sessions in the Sports Hall. A few months from now will see U6 volunteers moving on to new pastures. Are you a sport enthusiast with a particular interest in badminton, table tennis or frisbee?

Your role:

- Promote drop-in sessions
- Be responsible for the opening and closing of the sports hall and ensuring equipment is stored safely
- Welcome newcomers and help out with tips and tricks
- Take regular photos to document your sessions, contributing to the WoodhouseActive2018 Instagram page.

Please apply by emailing Francine Zimbalist with your chosen activity and your current availability to run sessions.
